

Who wouldn't look happy about selling two dozen eggs for a cool \$1000? Cheryl Macpherson is the young lady holding the Manitoba Egg Producers Marketing Board's trophy for the junior producer class at the Manitoba Winter Fair in 1977. Ed Hutsal, representing the buyer, Feed Rite Limited, is holding the fragile five hundred dollar package.

This photo shows a small section of some 2000 4-H club members assembled for the ceremony of the opening of the new 4-H building at the Provincial Exhibition grounds on July 2, 1962. George Hutton, Manitoba's

Minister of Agriculture, performed the honours. Ninety clubs in colourful uniforms and bearing their club banners then paraded around the racetrack to the grandstand for the presentation of awards.
