

Centennial Hymn

O God our Heav'nly Father
We lift our hearts to Thee,
In thankfulness and gladness
We sing from sea to sea;
For Thou hast richly blessed us
With countless gifts of love,
And always thou hast showered us
With mercies from above.

Our fathers in Thee trusted,
And never were dismayed,
Thy statutes they respected,
Thy righteous laws obeyed;
Thy goodness came upon them,
Thou wast their strength and stay,
Thy providence sustained them,
And led them on their way.

Our leaders Thou directed
To build in this fair land,
A nation with a purpose,
In thoughtful vision planned;
That all of our endeavours
May be of lasting worth,
That even as in Heav'n above
Thy will may rule on earth.
