4-H was absent from MacGregor from 1981-1990 when it was reorganized under the leadership of Marion Butterfield with 21 members doing such projects as Sewing, Looking Good and Feeling Great, Woodworking, Cooking, Crafts, and Horsemanship. Since then other leaders have included Margaret Smith, Gail Coates, Debbie Barber, Mary Hodge and Barb Hodge.

Since 1992, the club has included other projects such as Rabbits, Beef, Small Motors, Photography, and Exploring 4-H. We have an average membership of 25.

Some of the activities the club participates in are the Highway Clean Up, a Cakewalk, Community projects such as painting at the fairgrounds and some members attend Crew Camp each year.

Every year a speech night is held at the club level. Several of our members have gone on to District Level. These include Judy Hodge, Cory Hyde,

Roxanne Buhler, Darren Blyth, Amy Hodge and Allison Hodge. In 1996, Allison also went on to the Regional Competition.

Our club has also been successful at District Level at Rally day. Judy Hodge and Allison Hodge have won awards at Dress review. At the Fall supper in 1995, Chris Barber received the first annual "Best Carcass" for his steer and Judy Hodge won the award for the Best Kept Record Book in the Junior Level.

MacGregor Mix 'N Match Club was represented by Allison Hodge in November 1996 at the National 4-H Members Conference in Toronto.

We continue to move ahead with 4-H in MacGregor and this year we will have a new banner and uniform.
