

Preface

NO ONE can write the story of the growth of any community, no matter how small, without being indebted to many men and women for the knowledge which informs and the spirit which interprets. So it is with us.

To name all to whom we are under obligation is impossible. Gratefully, however, we acknowledge special thanks for valuable papers, books and pictures lent to us during this period from January, 1964-September, 1966.

Books used: Hartney and District 75th

Mere Living—Mrs. O. Parkinson, Winnipeg

Portraits and Sketches—C. A. Blay

For financial aid we say thanks to Winchester and Cameron Municipalities, as well as to individual donors.
