#### McVICAR

Duncan A. McVicar was Lauder's first CPR agent, coming late in 1891 or early in 1892 and staying until 1895. A McVicar baby was born in the station house in late March or early April 1895.

#### MERLE

B. Merle farmed on SW28-5-25 at least as early as 1892.

#### MERRIT

Mr. Merrit had a farm west of Lauder where Mr. Jacobs worked when he came to Lauder in 1905. It is not known if he was the same Mr. Merrit of Lauder who bought a farm from H. R. Richardson at Melita and moved there in the fall of 1899 or if he is the Mr. F. Merriett who rented R. D. Mann's farm, W28-5-24, in 1897.

Annie Merrit, probably a daughter of the above Mr. Merrit, married Herman Beaman at Lauder in November 1897. (See Beaman history page 334.)
