

5 Seymour Place
April 17th 1819

My Dear Lord

may I request your acceptance
of the inclosed. - These papers had been
shown in Manuscript to several of my
friends, to whom they appeared to contain
matter of public as well as personal
concern; & for the information of the
few, who are inclined to investi-
gate, I have had a very small
number of copies printed. -

I am always My dear Lord
very truly yours

Jelkirk
