Winkler Hospital

The Winkler Hospital was Built as a
Splendid Community Undertaking
in 1936

It is of fireproof construction and has
15 beds and 12 cribs. It has an air-
conditioned heating system and flush-
water sewage disposal system. It
cost \$7,000 and is located on a beaut-
iful three acre plot in the southern
part of the town. It is registered as
a public hospital

DR. C. W. WIEBE
